Maybe you can practise with a classmate: Write a vocabulary-test with 15 words for your classmate, send it to him/her and he/she has to fill in the test. Then your classmate sends the test back to you and you correct it. Your classmate does the same for you. You can give your classmate a mark, and your classmate gives you a mark, also.

Of course, you aren't allowed to use your book, when you fill in your test. Be honest with yourself.

Have fun with your workplan. I'm looking forward to seeing you again soon.

Best wishes for all of you from Mrs Czielinski
